

**SELECT BIBLIOGRAPHY ON SETTLEMENT OF DISPUTES
CONCERNING THE LAW OF THE SEA
(1996–)**¹

The Select Bibliography on the Settlement of Disputes concerning the Law of the Sea has been compiled from the bibliographies published in the Yearbook of the Tribunal from 1996. It provides information on relevant literature concerning the settlement of disputes regarding law of the sea matters with a particular focus on the role and activities of the Tribunal. The bibliography will be updated quarterly.

The Bibliography includes two parts. Part I relates to publications of a general nature or which do not comment on a specific case dealt with by the Tribunal. Part II relates to publications commenting on specific cases dealt with by the Tribunal.

Given the selective scope of the bibliography, it does not contain all important publications on the Law of the Sea. For more extensive coverage, it may be of interest to consult the following:

Public International Law: a Current Bibliography of Books and Articles compiled by the Max Planck Institute for Comparative Public Law and International Law, Heidelberg, Germany <http://www.mpil.de/en/hp/e-pil.cfm> and published by Springer Verlag in paper.

Law of the Sea: a select bibliography compiled annually since 1988 by the United Nations' Division for Ocean Affairs and the Law of the Sea, Office of Legal Affairs.

**BIBLIOGRAPHIE SELECTIVE SUR LE REGLEMENT DES DIFFERENDS RELATIFS AU
DROIT DE LA MER (depuis 1996)**²

Cette bibliographie sur le règlement des différends relatifs au droit de la mer a été compilée à partir des répertoires publiés dans l'Annuaire du Tribunal depuis 1996. Elle donne des indications sur les ouvrages importants ayant trait au règlement des différends relatifs au droit de la mer et, en particulier, au rôle et aux activités du Tribunal. Elle sera mise à jour tous les trois mois.

La bibliographie est divisée en deux parties : La première porte sur les publications d'ordre général ou celles qui ne concernent aucune affaire particulière traitée par le Tribunal, la deuxième sur les publications consacrées à des affaires spécifiques dont le Tribunal a connu.

De par sa nature, cette bibliographie ne contient pas toutes les publications importantes sur le droit de la mer. Pour une bibliographie plus complète, consulter les sources suivantes:

Public International Law: a Current Bibliography of Books and Articles, compilé par l'Institut Max Planck de droit public comparé et de droit international, Heidelberg, Allemagne, <http://www.mpil.de/en/hp/e-pil.cfm>, et publié par Springer Verlag en format de poche.

Law of the Sea: a select bibliography, compilé annuellement par la Division des océans et du droit de la mer, Bureau des affaires juridiques de l'ONU.

¹Some citations included in the first Yearbook were dated earlier than 1996.

² Certaines citations figurant dans le premier Annuaire date d'avant 1996.
