

STAFF REGULATIONS OF THE TRIBUNAL*

approved on 8 October 1998

The Tribunal,

Acting pursuant to article 38, paragraph 4, of the Rules of the Tribunal,

Approves the following Staff Regulations.

* These Regulations follow, as appropriate, the numbering of corresponding regulations of the United Nations Staff Regulations with the exception of regulations 4.5 and 10. Regulations 1.9, 3.5, 12.6 and 12.7 have no corresponding provision in the United Nations Staff Regulations.

Scope and purpose

The Staff Regulations embody the fundamental conditions of service and the basic rights, duties and obligations of the Registry. They represent the broad principles of human resources¹ policy for the staffing and administration of the Registry. The Registrar, as the Chief Administrative Officer, shall establish and enforce such staff rules consistent with these principles as he or she considers necessary.

Article I

Duties, obligations and privileges

Regulation 1.1

Members of the Registry are international civil servants. Their responsibilities are not national but exclusively international. By accepting appointment, they pledge themselves to discharge their functions and to regulate their conduct with the interests of the Tribunal only in view.

Regulation 1.2

Staff members are subject to the authority of the Registrar and to assignment by the Registrar to any of the activities or offices of the Tribunal. They are responsible to the Registrar in the exercise of their functions. The whole time of staff members shall be at the disposal of the Registrar.

Regulation 1.3

In the performance of their duties members of the Registry shall neither seek nor accept instructions from any government or from any other entity external to the Tribunal.

Regulation 1.4

Members of the Registry shall conduct themselves at all times in a manner befitting their status as international civil servants. They shall not engage in any activity that is incompatible with the proper discharge of their duties with the Tribunal. They shall avoid any action and in particular any kind of public pronouncement which may adversely reflect on their status, or on the integrity, independence and impartiality which are required by that status. While they are not expected to give up their national sentiments or their political and religious convictions, they shall at all times bear in mind the reserve and tact incumbent upon them by reason of their international status.

¹ Decision of the Tribunal adopted on 18 March 2010.

Regulation 1.5

Staff members shall exercise the utmost discretion in regard to all matters of official business. They shall not communicate to any person any information coming to their knowledge by reason of their official position which has not been made public, except in the course of their duties or by authorization of the Registrar. Nor shall they at any time use such information to private advantage. These obligations do not cease upon separation from the Registry.

Regulation 1.6

No staff member shall accept any honour, decoration, favour, gift or remuneration from any government excepting for war service; nor shall a staff member accept any honour, decoration, favour, gift or remuneration from any source external to the Tribunal, without first obtaining the approval of the Registrar. Approval shall be granted only in exceptional cases and where such acceptance is not incompatible with the terms of regulation 1.2 and with the individual's status as an international civil servant.

Regulation 1.7

Staff members may exercise the right to vote but shall not engage in any political activity which is inconsistent with or might reflect upon the independence and impartiality required by their status as international civil servants.

Regulation 1.8

(a) The privileges and immunities deriving from the United Nations Convention on the Law of the Sea and the Agreement on the Privileges and Immunities of the International Tribunal for the Law of the Sea of 23 May 1997 are conferred in the interests of the Tribunal.

(b) The privileges and immunities deriving from any agreement between the International Tribunal for the Law of the Sea and the Federal Republic of Germany regarding the Headquarters of the Tribunal and any other agreement concerning privileges and immunities of the Tribunal are also conferred in the interests of the Tribunal.

(c) These privileges and immunities furnish no excuse to staff members who enjoy them for non-performance of their private obligations or failure to observe laws and police regulations. Whenever a question related to these privileges and immunities arises, the staff member shall immediately report to the Registrar.

Regulation 1.9

(a) The normal hours of work shall be from 9 a.m. to 6 p.m. from Monday to Friday, with a luncheon interval of one hour and a half.

(b) The Registry shall normally observe ten holidays in the year as selected by the Registrar, taking into account the public holidays at the seat of the Tribunal in Hamburg,

Germany.²

(c) Exceptions to the rules in the foregoing paragraphs may be made by the Registrar as the needs of the service require.

Article II
Classification of posts and staff

Regulation 2

In conformity with principles laid down by the General Assembly of the United Nations, the Registrar shall make appropriate provision for the classification of posts and staff according to the nature of the duties and responsibilities required.

Article III
Salaries and related allowances

Regulation 3.1

Salaries of staff members shall be fixed by the Registrar in accordance with the provisions of annex I.

Regulation 3.2

(a) The Registrar shall establish terms and conditions under which an education grant shall be available to a staff member residing and serving outside his or her recognized home country whose dependent child is in full-time attendance at a school, university or similar educational institution of a type that will, in the opinion of the Registrar, facilitate the child's reassimilation in the staff member's recognized home country. The grant shall be payable in respect of the child up to the end of the fourth year of post-secondary studies³. The amount of the grant per scholastic year for each child shall be 75 per cent of the admissible educational expenses actually incurred, subject to a maximum grant as approved by the General Assembly of the United Nations. Travel costs of the child may also be paid for an outward and return journey once in each scholastic year between the educational institution and the duty station, except that in the case of staff members serving at designated duty stations where schools do not exist that provide schooling in the language or in the cultural tradition desired by staff members for their children, such travel costs may be paid twice in the year in which the staff member is not entitled to home leave. Such travel shall be by a route approved by the Registrar, but not in an amount exceeding the cost of such a journey between the home country and the duty station.

(b) The Registrar shall also establish terms and conditions under which, at designated duty stations, an additional amount of 100 per cent of boarding costs subject to a maximum

² As amended by D/2001/46 at the Twelfth Session of the Tribunal with effect from 1 January 2002.

³ Decision of the Tribunal adopted on 18 March 2010.

amount per year as approved by the General Assembly of the United Nations may be paid in respect of children in school attendance at the primary and secondary levels.

(c) The Registrar shall also establish terms and conditions under which an education grant shall be available to a staff member serving in a country whose language is different from his or her own and who is obliged to pay tuition for the teaching of the mother tongue to a dependent child attending a local school in which the instruction is given in a language other than his or her own.

(d) The Registrar shall also establish terms and conditions under which an education grant shall be available to a staff member whose child is unable, by reason of physical or mental disability, to attend a normal educational institution and therefore requires special teaching or training to prepare him or her for full integration into society or, while attending a normal educational institution, requires special teaching or training to assist him or her in overcoming the disability. The amount of this grant per year for each disabled child shall be equal to 100 per cent of the education expenses actually incurred, up to a maximum amount approved by the General Assembly of the United Nations.

(e) The Registrar may decide in each case whether the education grant shall extend to adopted children or stepchildren.

Regulation 3.3

(a) An assessment at the rates and under the conditions specified below shall be applied to the salaries and such other emoluments of staff members as are computed on the basis of salary, excluding post adjustments, provided that the Registrar may, where he or she deems it advisable, exempt from the assessment the salaries and emoluments of staff members engaged at locality rates.

(b) (i) The assessment shall be calculated at the following rates for staff members whose salary rates are set forth in paragraphs 1 and 3 of annex I:

Assessment

Total assessable payments (United States dollars)	Staff assessment rates for purposes of pensionable remuneration and pensions (percentage)
Up to \$20 000 per year	11
\$20 001 to \$40 000 per year	18
\$40 001 to \$60 000 per year	25
\$60 001 and above per year	30

(effective 1 January 2006)

A. Staff assessment rates for staff members with dependants

Assessable payments (United States dollars)	Staff assessment rates for staff members with a dependent spouse or a dependent child (percentage)
First 50,000 per year	19
Next 50,000 per year	28
Next 50,000 per year	32
Remaining assessable payments	35

B. Staff assessment for staff members without dependants

Staff assessment amounts for staff members with neither a dependent spouse nor a dependent child are equal to the differences between the gross salaries at different grades and steps and the corresponding net salaries at the single rate.

- (ii) The assessment shall be calculated at the following rates for staff members whose salary rates are established under paragraph 6 of annex I:

Total assessable payments (United States dollars)	Assessment (percentage)
Up to \$20 000 per year	19
\$20 001 to \$40 000 per year	23
\$40 001 to \$60 000 per year	26

- (iii) The Registrar shall determine which of the scales of assessment set out in subparagraphs (i) and (ii) above shall apply to each of the groups of personnel whose salary rates are established under paragraph 5 of annex I.
- (iv) In the case of staff members whose salary scales are established in currencies other than United States dollars, the relevant amounts to which the assessment applies shall be fixed at the local currency equivalent of the above-mentioned dollar amounts at the time the salary scales of the staff member concerned are approved.

(c) In the case of a person who is not employed by the Tribunal for the whole of a calendar year or in cases where there is a change in the annual rate of payments made to a staff member, the rate of assessment shall be governed by the annual rate of each such payment made to him or her.

(d) The assessment computed under the foregoing provisions of this regulation shall be collected by the Tribunal by withholding it from payments. No part of the assessment so collected shall be refunded because of cessation of employment during the calendar year.

(e) Revenue derived from staff assessment shall be credited to a tax equalization fund established by the Tribunal.

(f) Where a staff member is subject both to staff assessment under this plan and to national income taxation in respect of the salaries and emoluments paid to him or her by the Tribunal, the Registrar is authorized to refund to him or her the amount of staff assessment collected from him or her provided that:

- (i) The amount of such refund shall in no case exceed the amount of the staff member's income taxes paid and payable in respect of his or her income from the Tribunal;
- (ii) If the amount of such income taxes exceeds the amount of staff assessment, the Registrar may also pay to the staff member the amount of such excess;
- (iii) Payments made in accordance with the provisions of this regulation shall be charged to a tax equalization fund;
- (iv) A payment under the conditions prescribed in the three preceding subparagraphs is authorized in respect of dependency benefits and post adjustments, which are not subject to staff assessment but may be subject to national income taxation.

Regulation 3.4

(a) Staff members whose salary rates are set forth in paragraphs 1 and 3 of annex I shall be entitled to receive dependency allowances for a dependent child, for a disabled child and for a secondary dependant at rates approved by the General Assembly of the United Nations as follows:

- (i) The staff member shall receive an allowance for each dependent child, except that the allowance shall not be paid in respect of the first dependent child if the staff member has no dependent spouse, in which case the staff member shall be entitled to the dependency rate of staff assessment under subparagraph (b) (i) of regulation 3.3;
- (ii) The staff member shall receive a special allowance for each disabled child. However, if the staff member has no dependent spouse and is entitled to the dependency rate of staff assessment under subparagraph (b) (i) of regulation 3.3 in respect of a disabled child, the allowance shall be the same as the allowance for a dependent child in (i) above;
- (iii) Where there is no dependent spouse, a single annual allowance shall be paid for a secondary dependant in respect of either a dependent parent, a dependent brother or a dependent sister.

(b) If both husband and wife are staff members, one may claim, for dependent children, under subparagraph (a) (i) and (ii) above, in which case the other may claim only under subparagraph (a) (iii) above, if otherwise entitled.

(c) With a view to avoiding duplication of benefits and in order to achieve equality

between staff members who receive dependency benefits under applicable laws in the form of governmental grants and staff members who do not receive such dependency benefits, the Registrar shall prescribe conditions under which the dependency allowance for a child specified in subparagraph (a) (i) shall be payable only to the extent that the dependency benefits enjoyed by the staff member or his or her spouse under applicable laws amount to less than such a dependency allowance.

(d) Staff members whose salary rates are set by the Registrar under paragraph 5 or paragraph 6 of annex I shall be entitled to receive dependency allowances at rates and under conditions determined by the Registrar, due regard being given to the circumstances in the locality in which the office is located.

(e) Claims for dependency allowances shall be submitted in writing and supported by evidence satisfactory to the Registrar. A separate claim for dependency allowances shall be made each year.

Regulation 3.5

(a) Staff members of the Registry in the General Service category shall be entitled to compensation for overtime work done on the instructions of the Registrar outside the normal hours or on other than working days. (b) Appointments of staff members in the General Service category and of short-term staff shall, however, be made by the Registrar with the approval of the President of the Tribunal.

(c) On appointment, staff members shall receive a letter of appointment drawn up in accordance with annex II. Such letter of appointment shall contain expressly or by reference all the terms and conditions of employment.

Regulation 4.2

The paramount consideration in the appointment, transfer or promotion of the staff shall be the necessity for securing the highest standards of efficiency, competence and integrity. Due regard shall be paid to the importance of recruiting the staff on as wide a

geographical basis as possible.

Regulation 4.3

Selection of staff members shall be made without distinction as to race, sex or religion. So far as practicable, selection shall be made on a competitive basis.

Regulation 4.4

Subject to the provisions of article 35, paragraph 2, of the Rules of the Tribunal, and without prejudice to the recruitment of fresh talent at all levels, the fullest regard shall be had, in filling vacancies, to the requisite qualifications and experience of persons already in the service of the Tribunal. This consideration shall also apply, on a reciprocal basis, to the United Nations, its specialized agencies and other organizations brought into relationship with the United Nations.

Regulation 4.5

The Registrar shall establish appropriate medical standards that staff members shall be required to meet before appointment.

Separation from service

Regulation 9.1

(a) The Registrar may terminate the appointment of a staff member who holds a permanent appointment and whose probationary period has been completed, if the necessities of the service require abolition of the post or reduction of the staff, if the services of the individual concerned prove unsatisfactory, or if he or she is, for reasons of health, incapacitated for further service.

The Registrar may also, giving reasons therefor, terminate the appointment of a staff member who holds a permanent appointment:

- (i) If the conduct of the staff member indicates that the staff member does not meet the highest standards of integrity required by article 35, paragraph 2, of the Rules of the Tribunal;
- (ii) If facts anterior to the appointment of the staff member and relevant to his or her suitability come to light that, if they had been known at the time of his or her appointment, should, under the standards established in the Rules of the Tribunal, have precluded his or her appointment.

Finally, the Registrar may terminate the appointment of a staff member who holds a permanent appointment if such action would be in the interest of the good administration of the Tribunal and in accordance with the standards of the Rules of the Tribunal, provided that the action is not contested by the staff member concerned.

(b) The Registrar may terminate the appointment of a staff member with a fixed-term appointment prior to the expiration date for any of the reasons specified in paragraph (a) or for such other reason as may be specified in the letter of appointment.

(c) In the case of all other staff members, including staff members serving a probationary period for a permanent appointment, the Registrar may at any time terminate the appointment if, in his or her opinion, such action would be in the interest of the Tribunal.

(c) Any such extension shall not exceed one year at a time.

Article X

- (iii) a chairman chosen by the above two members or, if there has been a failure of agreement between them, designated by the President of the Tribunal.

(b) Each member of the Conciliation Committee selected in accordance with paragraph (a) shall have an alternate selected in the same manner, who shall sit in the event of it being impossible for the full member to do so for the reasons set forth in paragraph (c) or for any other compelling reason, such as ill-health.

(c) Members of the Conciliation Committee and their alternates may not deal with any case in which they have previously taken part, in whatever capacity, or the decision of which could be of direct concern to them.

(d) The term of office of the members of the Conciliation Committee and their alternates shall be three years. In case of a casual vacancy, a member shall be selected as soon as practicable for the remainder of the predecessor's term; the selection shall be made in the manner prescribed above for the original selection. A member shall hold office until replaced but, though replaced, shall finish any case with which that member may have begun to deal before the replacement, provided that the member remains a staff member of the Registry.

(e) A staff member of the Registry may lodge a complaint with the Conciliation Committee:

- (i) against an administrative decision alleging non-observance of that member's contract or of that member's terms of employment, the words "contract" and "terms of employment" comprising all provisions of these Regulations, and of the texts referred to therein, as may have been in force at the time of the alleged non-observance; or
- (ii) against any disciplinary actions taken against that member.

(f) The Conciliation Committee shall hear the staff member and the Registrar and endeavour to settle the matter by way of conciliation in accordance with the applicable provisions of annex V.

(g) In case of failure to achieve conciliation, the administrative decision or disciplinary action may be the subject of an application to the Joint Appeals Board in accordance with the conditions set out in regulation 11.2 and the provisions of annex VI.

(h) In the event of difficulty in the application of this regulation and of annex V, the Tribunal will decide.

Regulation 11.2

(a) There is hereby established a Joint Appeals Board (the "Board").

(b) The function of the Board is to consider applications against

- (i) an administrative decision that is alleged to be in non-compliance with the terms of appointment or the contract of employment. The terms "contract" and "terms of appointment" include all pertinent regulations and rules and all relevant administrative issuances in force at the time of alleged non-compliance;
- (ii) an administrative decision imposing a disciplinary measure.

(c) Such applications may be filed by:

- (i) Any staff member of the Registry.
- (ii) Any former staff member of the Registry.
- (iii) Any person making claims in the name of an incapacitated or deceased staff member of the Registry.

(d) Applications to the Board may only be made in case of failure to achieve conciliation through the Conciliation Committee.

(e) The Board shall be composed of three members who are selected as follows:

- (i) one staff member of the Registry designated by the Registrar;
- (ii) one staff member of the Registry elected by the staff as a whole, by simple majority; and
- (iii) one member who will serve as a Chairperson chosen by the above two members. The Chairperson need not be a staff member. In case of failure of agreement between the above two members, the Chairperson will be designated by the President of the Tribunal.

(f) Each member of the Board selected in accordance with paragraph (e) shall have an alternate selected in the same manner. The alternate shall sit in cases where the member is unable under paragraph (g) or is absent for any other reason. The alternate of the Chairperson shall act as Chairperson in the absence of the latter.

(g) Members of the Board and their alternates shall not serve in the Board in relation to any application in which they have previously been involved, in whatever capacity, or which is of direct concern to them or members of their families who are staff members.

(h) The term of office of the members of the Board and their alternates shall be three years. Members may be re-selected.

(i) In case of a vacancy, a member shall be selected as soon as practicable for the remainder of the predecessor's term; the selection shall be made in the manner prescribed above for the original selection.

(j) A member shall hold office until replaced. Though replaced, a member shall continue to fully participate in any case he or she had been involved during his tenure, provided that he or she remains a staff member of the Registry.

(k) The Registrar, in consultation with the Staff Committee, shall designate a Secretary of the Board, who shall be a staff member of the Registry. The Secretary shall assist the Board and prepare a written record of the proceedings which shall be subject to review and final approval by the Board.

(l) The Board shall

- (i) establish its own rules of procedure;
- (ii) hear the applicant and the Registrar in accordance with the applicable provisions of annex VI;
- (iii) adopt and submit a report with its recommendations to the Registrar for a decision, in accordance with the applicable provisions of annex VI.

(m) If the applicant does not agree with the decision of the Registrar or if the Registrar has not taken a decision on the recommendation within 14 days after receipt of the report, the applicant may submit an appeal to the United Nations Appeals Tribunal in accordance with its Statute within the time limit referred to in article 2, paragraph 4, of the agreement between the International Tribunal for the Law of the Sea and the United Nations extending the competence of the United Nations Appeals Tribunal to the International Tribunal for the Law of the Sea.

Article XII

General provisions

Regulation 12.1

(a) These Regulations may be supplemented or amended by the Tribunal, without prejudice to the acquired rights of staff members.

(b) Staff members may suggest to the Registrar amendments to these Regulations.

Regulation 12.2

Such staff rules and amendments thereto as the Registrar may make to implement these Regulations shall be provisional until the requirements of regulations 12.3 and 12.4 have been met.

Regulation 12.3

The full text of provisional staff rules and amendments shall be reported annually to the Tribunal. Should the Tribunal find that a provisional rule or amendment is inconsistent with the intent and purpose of these Regulations, it may direct that the rule or amendment be withdrawn or modified.

Regulation 12.4

The provisional staff rules and amendments reported by the Registrar, taking into account such modifications or deletions as may be directed by the Tribunal, shall enter into full force and effect on 1 January following the year in which the report is made to the Tribunal.

Regulation 12.5

Staff rules shall not give rise to acquired rights within the meaning of regulation 12.1 (a) while they are provisional.

Regulation 12.6

(a) Should the United Nations Staff Regulations be amended in such a way as to affect the United Nations Common System of Salaries, Allowances and Benefits, the Registrar shall promulgate, as soon as practicable, such amendments to these Regulations as are required to ensure compatibility with that system, with an indication of the date from which they take effect. These amendments apply provisionally pending a decision of the Tribunal under paragraph (b).

(b) The text of the provisional amendments referred to in paragraph (a) shall be communicated to the Tribunal as soon as promulgated. The Tribunal shall examine such amendments as soon as possible and take a decision whether or not to amend these Regulations under regulation 12.1.

(c) In exceptional cases, if the Registrar considers that an amendment to the United Nations Staff Regulations should be examined by the Tribunal before taking effect in the Registry, he or she may postpone promulgation of an amendment to these Regulations, and shall in such case report the matter forthwith to the Tribunal.

Regulation 12.7

(a) These Regulations apply to all staff members of the Registry, with the exception of regulations 4.1, 9.1, 9.2, 9.5, 10 and 11, which do not apply to the Registrar, the Deputy Registrar or the Assistant Registrar.

(b) Annexes I to VI form an integral part of these Regulations.

Annex I
Salary scales and related provisions
(see regulation 3.1)

1. The Registrar shall establish the salaries of officials in the Director category and above, in accordance with amounts determined by the General Assembly of the United Nations, subject to the staff assessment plan provided in regulation 3.3 and to post adjustments wherever applied. If otherwise eligible, they shall receive the allowances that are available to staff members generally.
2. The Registrar is authorized, on the basis of appropriate justification and/or reporting, to make additional payments to officials in the Director category and above to compensate for such special costs as may be reasonably incurred, in the interests of the Tribunal, in the performance of duties assigned to them by the Registrar. Similar additional payments in similar circumstances may be made to heads of offices when they are away from the seat of the Tribunal. The maximum total amount of such payments is to be determined in the budget by the Meeting of States Parties to the United Nations Convention on the Law of the Sea.
3. Except as provided in paragraph 5, the salary scales and the scales of post adjustment for staff members in the Professional and higher categories shall be as provided in this annex.
4. Subject to satisfactory service, salary increments within the levels set forth in paragraph 3 shall be awarded annually, except that any increments above step XI of the Associate Officer level, step XIII of the Second Officer level, step XII of the First Officer level, step X of the Senior Officer level and step IV of the Principal Officer level shall be preceded by two years at the previous step. The Registrar is authorized to reduce the interval between salary increments to ten months and twenty months, respectively, in the case of staff subject to geographical distribution who have an adequate and confirmed knowledge of a second official language of the Tribunal.
5. The Registrar shall determine the salary rates to be paid to personnel specifically engaged for short-term missions, conference and other short-term service, to consultants and to technical experts.
6. The Registrar shall fix the salary scales for staff members in the General Service and related categories, normally on the basis of the best prevailing conditions of employment in the locality of the Tribunal, provided that the Registrar may, where he or she deems it appropriate, establish rules and salary limits for payment of a non-resident allowance to General Service staff members recruited from outside the local area. The gross pensionable remuneration of such staff shall be determined in accordance with the methodology specified in article 54 (a) of the Regulations of the United Nations Joint Staff Pension Fund and are shown in the salary scales applicable to such staff.
7. The Registrar shall establish rules under which a language allowance may be paid to staff members in the General Service category who pass an appropriate test and demonstrate continued proficiency in the use of both of the official languages of the Tribunal.

8. The Registrar may adjust the basic salaries set forth in paragraphs 1 and 3 by the application of non-pensionable post adjustments based on relative costs of living, standards of living and related factors at the office concerned as compared to New York. Such post adjustments shall not be subject to staff assessment.

9. No salary shall be paid to staff members in respect of periods of unauthorized absence from work unless such absence was caused by reasons beyond their control or duly certified medical reasons.

Annex V
Proceedings before the Conciliation Committee
(see regulation 11.1)

1. A staff member of the Registry who wishes to lodge a complaint under regulation 11, paragraph (e), shall first address a letter to the Registrar requesting a review of the administrative decision or disciplinary action complained of. The letter must be sent within 30 days of the date on which the staff member received notification or became aware of the decision or action.

2. (a) The staff member may proceed with a complaint if the Registrar, in writing, rejects in whole or in part the request, or if no reply is received by the staff member within 30 days of the date on which the member's letter was received by the Registrar.

(b) The complaint shall be in writing and shall be lodged by the staff member with the Conciliation Committee within 30 days of receipt of the Registrar's reply, or, if there is no reply within 30 days of the date on which the staff member's letter was received by the Registrar, within the next 30 days.

3. In case of disciplinary action, the staff member may lodge a complaint with the Conciliation Committee either in conformity with paragraphs 1 and 2 or within 30 days of the date on which the member received notification or became aware of the action complained of.

4. When lodging a complaint the staff member shall send a copy to the Registrar. Within 30 days of receiving the copy, the Registrar shall send a reply in writing to the Conciliation Committee and, at the same time, a copy to the staff member. The Chairman of the Committee shall ensure that those copies have in fact been received by the addressees.

5. As soon as practicable after receiving the Registrar's reply, the Conciliation Committee shall endeavour to conciliate between the parties and shall hear them for that purpose. In the event of a successful conciliation, it shall record the agreement of the parties in a Minute. In the event of failure, it shall draw up a report summarizing the procedure followed, the arguments of the parties and the recommendations made by the Committee during the proceedings. That report shall be transmitted to the Registrar and to the staff member. By virtue of regulation 11.1, paragraph (g), and within the time-limit indicated in annex VI, the staff member shall be entitled to submit an application to the Joint Appeals Board.

Annex VI
Proceedings before the Joint Appeals Board
(see regulation 11.2)

1. A staff member of the Registry or any other individual referred to in staff regulation 11.2, paragraph (c), who wishes to make an application against an administrative decision or disciplinary action pursuant to staff regulation 11.2, paragraph (b), shall submit the application in writing to the Chairperson of the Joint Appeals Board (the "Board") within 60 days of the date on which the staff member received notification of the report of the Conciliation Committee prepared in accordance with annex V. The Chairperson of the Board shall within three working days following the filing of the application, transmit a copy of it to the Registrar and the members of the Board.
2. The Registrar shall submit a written reply to the Board within 30 days following the receipt of the copy of the application by him or her. The Chairperson of the Board shall within three working days transmit copies of the reply to the applicant and the members of the Board.
3. A complaint shall not be receivable by the Board unless the time-limit specified in paragraph 1 has been met or has been waived, in exceptional circumstances, by the Board.
4. The meetings of the Board shall be convened by its Chairperson. The Board itself shall decide on questions of its competence.
5. In case of termination of a contract or other action on grounds of unsatisfactory performance, the Board shall not consider the substantive question of performance but only whether the termination of the contract or other action taken on grounds of unsatisfactory performance has been motivated by prejudice or by some other extraneous factor.
6. The filing of an application under paragraph 1 shall not have the effect of suspending action on the contested decision. Pending the conclusion of the consideration of an application, the Board, under the circumstances of the case, may, upon request of the applicant, recommend to the Registrar the suspension of action on that decision. The Registrar's decision on the recommendation for suspension is not subject to appeal.
7. Proceedings before the Board shall be limited to the application and reply. Brief statements and rebuttals may be authorized by the Board, orally or in writing. Proceedings are carried out in any one of the working languages of the Tribunal.
8. An applicant may arrange to have his or her application presented to the Board on his or her behalf by any person of his or her choice.
9. The Board shall have authority to call members of the Registry who may be able to provide information concerning the issues before it and shall have access to all documents pertinent to the case.

10. Within seven working days following the conclusion of the proceedings, the Board shall, by majority vote, adopt its report to be submitted to the Registrar. Within five working days from the adoption of the report, the Board shall communicate the report to the Registrar and to the applicant. The report shall include a statement of reasons, fact and law, and the recommendations of the Board. The report shall also include a record of the proceedings. Votes on the recommendation shall be recorded, and any member of the panel may have his or her dissenting opinion included in the report.

11. Within 14 days following receipt of the report, the Registrar shall communicate his or her decision on the recommendations contained therein to the applicant. The Board shall also be informed of the decision.
