Second report regarding the provisional measures prescribed by the Tribunal on 6 July 2019 in the M/T "San Padre Pio" case

Dear Mrs. Acting Registrar,

In accordance with the letter of the Registrar of 31 July 2019 regarding the extension of the time-line for the second report by the parties on the provisional measures prescribed by the Tribunal for the Law of the Sea on 6 July 2019, the Swiss Confederation hereby submits its second report.

Since its first report dated 22 July 2019, the Swiss Confederation has been working expeditiously regarding the conditions of the order of the tribunal dated 6 July 2019. Intense internal and external discussions concerning the order are ongoing. The Swiss Confederation reassures the Tribunal that it will continue to co-operate closely with the Tribunal and with Nigeria, as stated in its diplomatic note of 15 August 2019, regarding the dispute at hand concerning the vessel "San Padre Pio".

Respectfully yours,
