Relief sought by Ireland

Ireland requests that ITLOS prescribe the following provisional measures:

- (1) that the United Kingdom immediately suspend the authorisation of the MOX plant dated 3 October, 2001, alternatively take such other measures as are necessary to prevent with immediate effect the operation of the MOX plant;
- (2) that the United Kingdom immediately ensure that there are no movements into or out of the waters over which it has sovereignty or exercises sovereign rights of any radioactive substances or materials or wastes which are associated with the operation of, or activities preparatory to the operation of, the MOX plant;
- (3) that the United Kingdom ensure that no action of any kind is taken which might aggravate, extend or render more difficult of solution the dispute submitted to the Annex VII tribunal (Ireland hereby agreeing itself to act so as to aggravate, extend or render more difficult of solution than dispute); and
- (4) that the United Kingdom ensure that no action is taken which might prejudice the rights of Ireland in respect of the carrying out of any decision on the merits that the Annex VII tribunal may render (Ireland likewise will take no action of that kind in relation to the United Kingdom).
